Throughout the course of Diversey's nearly 95 years of providing revolutionary cleaning and hygiene technologies, we've demonstrated that protecting and improving the environment is good for business. Although it's been given many names since 1923, sustainability has been at the core of the value Diversey delivers to customers.

The Hospital's search for a more sustainable solution concluded after viewing a demonstration of the capabilities of the TASKI® SWINGOBOT 2000. Diversey's flagship, hands-free robotic floor care machine has been specifically engineered to deliver high productivity with minimal resource consumption. Morten Kristein, Senior Consultant at
