Q. Are police scanners legal to own in the U.S.? A. Yes, police scanners are just as legal to purchase and use as any other radio receiver. However, some states forbid scanner use while driving. And, of course, you may not use information gathered from a scanner to aid criminal activity. Q. Why should I invest in a police radio scanner? A.

Welcome to Scanner Master's Uniden Bearcat ® Scanner Toolkit. By Richard Barnett HOLLISTON, MA - Welcome to Scanner Master's Uniden Bearcat ® Scanner Toolkit. But I just want to listen to the Police. Why does this have to be so complicated? <sigh> Well, unfortunately the days of "enter this frequency to hear the police" are nearly over. Several major trends have converged that have resulted in police (and other agencies) moving to more efficient, "trunked" radio systems:
